**Sanctuary Scotland Housing Association Limited**

**Mapping Exercise for Assurance Statement – Equality and Human Rights**

The purpose of this document is to provide the Board of Management of Sanctuary Scotland Housing Association Limited with assurance that the organisation complies with the requirements of Chapter Three of the Regulation of Social Housing in Scotland in relation to Equality and Human Rights. The compliance requirements are defined, the evidence and practice to support compliance is described and additional information or further action defined.

<b>EQUALITY AND HUMAN RIGHTS – Chapter Three of the Regulation in Social Housing framework states:                      Have assurance and evidence that it considers equality and human rights issues properly when making all of its decisions, in the design and review of internal and external policies and in its day to day service delivery                      To comply with these duties landlords must collect data relating to each of the protected characteristics for their existing tenants, new tenants, people on waiting lists, governing body members and staff. Local authorities must also collect data on protected characteristics for people who apply to them as homeless. Landlords who provide Gypsy/Traveller sites must collect data on protected characteristics for these service users.</b>
